

Aegis Systems Canada Inc

Privacy Policy

We collect personal information from our customers in the regular course of doing business. This document answers some of your most frequently asked questions, and lets you know exactly how we are protecting the information you entrust to us.

What personal information do you collect about me?

We collect the following information about you:

- **Name**
- **Phone Number**
- **Email Address**

How do you use this information?

The main reasons we collect personal information from you are:

- **To complete the registration with the secure AKT server**
- **To make the products and services as intuitive as possible.**

The information you provide allows for secure registration to the Aegis Systems Canada services and products and will be used in the future to verify your authenticity to the secure systems. It may also be used within the applications themselves to identify you to people you wish to share information with.

Use of Personal Information for Secondary Reasons

We also may use your personal information for other, secondary reasons, including:

To contact you for software updates or to introduce new products

- Name
- Phone Number
- Email Address

Sharing of Personal Information with Third Parties

We do not share your personal information with any third parties.
